

GUIDELINES AND PROCESS FLOW

FOR UDHACK 4 .0

1. Event Overview

UDHack-4.0 is a high-energy, two-stage innovation challenge built to ignite creativity and push bold ideas forward. The journey begins with PPT screening, where teams showcase their vision and problem-solving approach. Shortlisted teams will then enter the online idea pitching round, presenting their concepts live for evaluation. The most impressive and high-impact ideas will earn their place as the official finalists of UDHack 4.0. Get ready to pitch, impress, and rise.
